Timely Warning Policy

In the event that a situation arises, either on or off campus, that, in the judgment of the President or one of the Vice Presidents, constitutes an ongoing or continuing threat, a campus wide “timely warning” will be issued.

Depending on the particular circumstances of the crime, the President or Vice Presidents may post a “timely warning” in the residence halls only.

Campus wide warnings will be issued through the college e-mail system to students, faculty and staff.

Anyone with information they believe would result in the issuing of a “timely warning” should report the circumstances to the President, Vice President or any Department Director.
